Business & Analytics Projects

Business Analytics Consulting Project | CIS 236 Honors AI in Business

- Led a four-person consulting team, managing communication, timelines, and deliverables.
- Built Tableau dashboards and Excel analyses to identify opportunities in revenue growth, forecasting, inventory optimization, and customer profitability.
- Presented executive-ready business recommendations supported by BLUF summaries, a vendor-ready RFP, and AI-assisted analysis.

Global Sanitation Data Analytics Project | DAT 250 – Data Science & Society

- Applied the data science lifecycle using World Bank and UN datasets to evaluate Sustainable Development Goal 6.2.
- Built Tableau dashboards analyzing sanitation, handwashing, and open-defecation trends across five countries.
- Developed data-driven policy recommendations while evaluating ethical considerations and AI applications for global infrastructure planning.

AI Ethics & Governance Panel | DAT 250 – Data Science & Society

OLIVIA MULLER

- Researched AI bias, governance, and ethics in recruiting as part of a four-person panel.
- Presented evidence-based recommendations on AI bias, transparency, governance, and workforce implications.

BRAND MARKETING & PARTNERSHIPS

Independent Brand Collaborator | Edikted (Feb 2026 – Mar 2026)

- Invited by Edikted to collaborate independently after a successful campus campaign.
- Produced branded Instagram content generating **38K+ views** and **1,370 engagements** while collaborating directly with Edikted's marketing team.
- Managed campaign deliverables while meeting brand standards and deadlines.

Campus Brand Marketing Campaigns | Alpha Phi (Feb 2026)

- Selected as **1 of approximately 60 Alpha Phi members** to represent the chapter in brand partnerships with **Edikted** and **Fashion Nova** promoting seasonal collections.
- Created branded photo and video content featured across **Edikted, ASU Alpha Phi**, and personal Instagram and TikTok accounts, contributing to an Edikted campaign that generated **nearly 2,000 Instagram engagements**.
- Produced campaign deliverables while adhering to brand guidelines, content standards, and posting schedules.

PROFESSIONAL EXPERIENCE

Hostess | Salt & Barrel | Bay Shore, NY (May 2026 – August 2026)

- Delivered exceptional customer service while managing reservations, waitlists, and guest seating in a high-volume waterfront restaurant.
- Coordinated table flow with servers and management to optimize operational efficiency and guest satisfaction.
- Selected to represent the restaurant in promotional photography and social media campaigns highlighting seasonal menu offerings.

Goalkeeper Trainer | Babylon Soccer Club (September 2021 – August 2025)

- Designed and led goalkeeper training sessions for athletes ages 8–13, adapting instruction to individual skill levels.
- Built communication, leadership, and mentoring skills by coaching young athletes and partnering with parents to support player development.

Sales Associate & Line Cook | Green Fork | Babylon, NY (May 2025 – August 2025)

- Delivered customer service while preparing food, processing transactions, and supporting daily restaurant operations.
- Assisted with inventory management and opening/closing procedures in a fast-paced team environment.

OLIVIA MULLER

Registrar | Babylon Soccer Club (June 2022 – August 2022)

- Managed registration records for **400+ youth athletes**, ensuring data accuracy and resolving participant issues using SportsEngine and GotSport.

Sales Associate | Pandemonium (June 2023 – December 2023)

- Assisted customers, processed transactions, maintained merchandising displays, and supported daily store operations.

Busser | NoaMar (June 2023 – August 2024)

- Supported efficient restaurant operations by maintaining dining areas and assisting service staff during high-volume shifts.
